Supervisor will leave for sabbatical during the period:

3. The study

Research area:
Department:
Programme progression (%):
Work on thesis started (term):
Subjects not passed (if any):

4. Dissertation

A description of the dissertation is to be enclosed on a separate paper. The

description should include a statement of the problem, methods, possible co-partners of technical or scientific nature, and a work schedule.

Working title:

5. Use of resources

Where is the project to be held?

Has the department approved the necessary use of resources (apparatus, equipment, fixed

assets, and the like)?

6. Final exam

Deadline for handing in the dissertation is May 13, 2011 at 2 PM.

7. Signatures

The student, advisor and possible external/second advisor agree on all the parts of the contract. It is both the advisor's and the student's responsibility to see that the plan is followed, both in terms of content and propulsion. If a breach of contract arises, the matter is to be placed before the board of studies.

Signatures:

Date:

Student:

Supervisor:

External advisor:

According to a University Board resolution, this agreement should be worked out in collaboration between student, supervisor and a staff member of the department in question. This staff member has no contractual obligations besides participating in research seminars related to the thesis and in filling out this form.

The contract is drawn up in cooperation with the above student, supervisor(s), and head of department, who has the superior responsibility for the implementation of the major from the institute's part.

.....
Head of Department

In case of disagreement

Breach of contract is to be considered by the board of education, when:

- Longer period of study than agreed in the contract.
- Supervisor leaves UiTø for longer periods than what is agreed upon in the terms of the contract.
- An agreement between the Supervisor and the Student regarding publishing of the findings/results/methods is not reached.
